Subject: Permanent Link Testing to ANSI/TIA 568C.2.

Gentlemen,

We have completed the Category 5E performance testing on the submitted Permanent Link.

The Permanent Link configuration was tested in accordance to the Category 5E requirements as stated in the following document: ANSI/TIA-568C.2 of the *ANSI/TIA Balanced Twisted-Pair Telecommunications Cabling and Components Standards* dated August 11, 2009.

Cable and Connecting Hardware Utilized:

- 1) Patch Panel: PN: SB01
- 2) Work Area Outlet: PN: SA01
- 3) Cable: Category 5e UTP PVC 4 Pairs, PN: 32854

It should be understood that these results apply only to the particular samples acquired from distribution for testing. The test results indicated in this report are not intended to imply Listing, Verification or other Recognition of any product material. UL has not established a Factory Follow-Up Service Program to determine conformance to the subsequently produced material, nor has any provision been established to apply any registered mark of UL to such material.

In no event shall Underwriters Laboratories Inc. be responsible to any one for whatever use or non-use is made of the information contained in this Report and in no event shall Underwriters Laboratories Inc., its employees, or its agents incur any obligation of liability for damages, including but not limited to, consequential damages, arising out of or in connection with the use, or inability to use, the information contained in this Report.

This letter completes this assignment. Our Accounting Department will be notified to bill you for charges incurred.

If you have any questions regarding the enclosed report, or if we can be of any further assistance, please feel free to contact me at any time.

Very truly yours,

Robert Bellasai, RCDD (Ext. 22871)
